Arrive – suggested time to arrive at school: unload truck and get in uniform (home games), get in uniform (away games), etc.

In Seats – students are to be in their seats in uniform with instrument (when applicable) ready to begin.

Return – this is an estimated time in which a game will end (home), or we will return to the High School (away games and contests). Please pick up your student(s) in a timely manner.

Home FB Games – students are not allowed on the EMS campus until **5:00**. Parents must make arrangements for students that have to stay after school. Students who drive must park in the fenced-in area beside the 7th Grade Building.

We will not stop to eat unless announced. Please make sure that your student(s) has eaten before arriving at the Band Room.

If needed, changes to the times listed above will be made and announced at the soonest available time.
